

# CASA™ Small Keypad

## Product Summary

- The small keypad provides much of the functionality of the larger keypad, but without the display. It is ideal for situations where the keypad may be splashed, such as a bathroom or kitchen. The keypad also provides inexpensive zone control or control in a sub zone.

The Casa system was awarded  
Innovations Award 1998  
CES/Las Vegas USA

Product of the Year 1998  
Hi-Fi Grand Prix Award
