

# Bowers & Wilkins

## Concert for one

**P5 Mobile Hi-Fi Headphones** What's it to be? The rush-hour commute, the stuffy office, the line at the local supermarket? Or the control room at Abbey Road Studios, a box at the Met, the front

row at CBGB in 1976? The noise-isolating P5. It's not a set of headphones. It's a transportation device.

**Listen and you'll see.**

# Reasons to buy P5 Mobile Hi-Fi Headphones

## Acoustics

**Listen for longer** Gimmicky effects like exaggerated bass or artificially enhanced treble quickly become tiring with extended listening. The P5's natural audio performance brings you close to the sound of the original recording, as you were meant to hear it. Which means you can enjoy your favorite music for longer.

**Made for iPod®** No one knows how to get great sound out of your iPod better than Bowers & Wilkins, makers of the award-winning Zeppelin sound dock. P5 gives you the same incredible sound quality on the move, and comes with an Apple-approved cable, for speech and device control, perfect for iPhone.

## Compatibility

- iPad (all)
- iPhone (4S, 4, 3GS, 3G)
- iPod touch (4th, 3rd and 2nd generations)
- iPod nano (6th, 5th and 4th, generations)
- iPod shuffle (4th and 3rd generations)

## Features

**Noise isolation** A closed-back design with rigid metal faceplates and sealed earpads ensures that all the detail and dynamic range of your music is kept intact, with minimum outside interference. At the same time, you'll hear just enough ambient sound to preserve a sense of place. Perfect for listening to music on the go.

**Life-long comfort** P5 is very easy on the ears. The ergonomic design is married to a headband and earpads crafted from the finest-quality sheep's leather from New Zealand. Durable and hardwearing, yet remarkably soft and supple, it makes long listening sessions feel more comfortable than ever.
