

# WM6

# B&W

Bowers & Wilkins

The larger cabinet of the WM6 houses a 160mm (6 in) woven fibreglass cone bass/midrange driver and an audiophile Nautilus tube-loaded metal dome tweeter. The cabinet uses corrosion proof hard wearing materials and an innovative 'J port' which permits properly extended bass performance yet prevents water ingress. With an integral wall bracket that allows adjustment in both vertical and horizontal planes, the WM6 is a versatile solution for outdoor applications requiring a more extended bass response and higher output.

*Description:* 2-way vented-box system  
*Frequency range(-6dB):* 50Hz and 30kHz  
*Power handling:* 100W into 8 $\Omega$   
*Sensitivity:* 88dB spl (2.83V, 1m)

*Impedance:* 8 $\Omega$  (minimum 3.0 $\Omega$ )  
*Dimensions:* H 300mm W 210mm D 243mm  
H 11.8" W 8.3" D 9.6"  
*Weight:* 4 kg / 8.8 lbs.
