Classé Audio brings together world leading levels of engineering and the highest quality materials, style and fit and finish, providing an unsurpassed blend of technology, performance and value, while retaining the classic Classé look, feel, and individuality.

Unprecedented state of the art music reproduction and levels of natural musical excitement, have created an immediate stir, from stereo publications

and showrooms worldwide, to the most demanding audio critics and devoted music lovers alike, thus reinforcing Classé's philosophy of repeated listening design sessions and months of musical fine tuning all our models, that we feel necessary to attain the natural harmonic purity of music, typically associated with only the finest quality musical instruments.
