

# DM™ 305

## Stand-mount/Bookshelf loudspeaker system

### Product Summary

- The timeless design of the DM305 was created to meet your lifestyle needs as well as your budget.
- The 6½ in drive unit has formed wave spoilers, which minimise standing waves, and produces a clean neutral midrange. The front firing slotted port supplemented by the rear firing port increases bass depth and power and the tweeter is mounted in a low diffraction face plate for cleaner treble sound. All these technologies culminate in a well balanced floor standing speakers at a very affordable price which is equally suited to a Hi-Fi or Home Cinema set-up.
